*To learn more, see Additional Offerings section.

LIGHT AND PROTECT

A. LED OFF-ROAD LIGHT KIT[1][2]

These rugged, commercial LED Off-Road Light Kits provide an exceptionally bright, fully illuminating light source needed for a safe off-road driving experience. Each light kit is pressure washer-capable, and the cast aluminum housing ensures proper heat dissipation and long-term durability. They are also vibration-, shock- and EMC-tested. Kits contain two LED lights, light covers and wiring harnesses. Wiring harness works in conjunction with the Auxiliary Switch Bank. [82219263AC]

B. LOWER A-PILLAR LIGHT MOUNTING BRACKETS

Allow for mounting off-road lights to body. Brackets are steel with a black e-coat finish and attach to existing holes on the A-pillar cowl area. [82219249AB]

C. JEEP® PERFORMANCE PARTS BADGE

Premium forged aluminum badge is black with silver image and text, featuring the Jeep® Performance Parts logo against a gear-shaped background. [82215764]

D. FRONT MOLDED SPLASH GUARDS

Designed to provide excellent lower-body protection by minimizing the spray of water, mud, snow and rocks. Fit front wheel wells of the Jeep® Recon. Front Splash Guards do not fit vehicles equipped with Rock Rails. [82219140AA]

A, B

C

D

ESSENTIALS FOR THE ESCAPE

A. ROCK RAILS

Designed to meet the demands of the off-roader, these Rock Rails provide added vehicle body protection. They are fabricated using zinc-coated steel for superior corrosion resistance and are roll-formed. The outer surface is e-coated and powder-coated, providing superior protection and durability. [82219065AC]

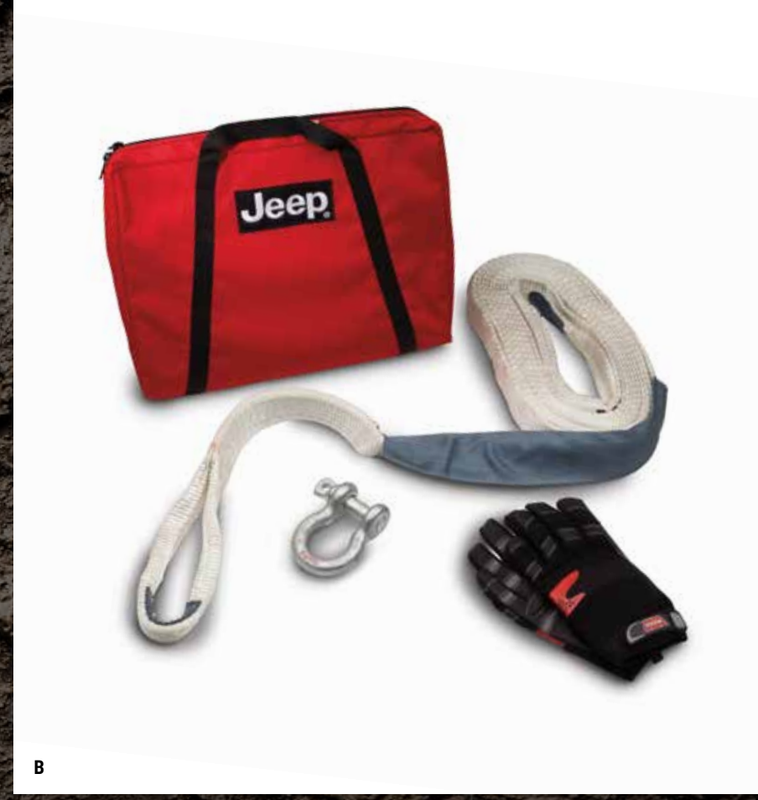
B. DOORS-OFF MIRROR KIT

For use with doors off. These two separately mounted side mirrors may be quickly and easily installed for an enhanced rear view. Mirrors include a built-in breakaway feature that prevents damage while in tight spaces on the road or trail. Installation is simple, no special tools required. Kit includes left and right sideview mirrors and hardware. [82219139AB]

C. SUNSHADE

Deflects the harsh rays of direct sun to keep your dashboard and interior degrees cooler. Custom-made for the Jeep® Recon, this indispensable shade folds for easy storage and includes a branded storage bag. Front Window Sunshade features the Jeep Brand logo. [82219354AA]

A



B

A. JEEP® PERFORMANCE PARTS HIGH-PERFORMANCE WINDSHIELD WIPER SYSTEM

Take windshield precision to the next level with our easy-to-install enhanced wiper system designed for both on- and off-road travel. Thanks to strategically placed openings, the system quickly floods the windshield using 12 streams of washer fluid from both blades. When the wipers are activated, the first stroke brings clarity by removing mud and grime quickly. Kit contains arms, blades and tubing required for initial installation, as well as one set of replacement blades. [PW100065AA]

B. TOW STRAP KIT

Gives the tow vehicle extra leverage when extracting stuck vehicles. Comes with a 22-foot, 18,000-lb tensile strength tow strap, two ¾-inch D-rings, a carabiner and a pair of Jeep® Brand gloves, all in a heavy-duty red nylon bag featuring the Jeep Brand logo. [82213901AD]

C. 1-INCH LIFT KIT[1][3]

Legendary Jeep 4x4 capability reaches new levels with an exceptional, no-compromise Lift Kit for your Jeep Recon. It includes specially tuned 50-millimeter monotube shocks with Jeep® Performance Parts logo badges. The parts are easy to install, as no driveshaft or brake-line replacements are required. Kit includes four shocks and two rear spacers. [77073019AA]

C

TOWING MADE EASY

A. HITCH-MOUNTED SKIDDER

Protect your rear hitch on tough trails. This Hitch-Mounted Skidder fits any standard 2-inch receiver hitch and helps guard against rocks, ruts and other trail obstacles. Installs easily with a standard hitch pin (sold separately). No drilling or permanent modifications required. [82219463AA]

B. HITCH RECEIVER[4]

This Class II Hitch Receiver has a 3,500-lb towing capacity with 350-lb tongue weight capacity. It requires no trimming or cutting of the rear bumper or fascia when installing and is the same as the production hitch. The Jeep® Brand Logo Hitch Receiver Cover is also included. [82219064AB]

HITCH RECEIVER COVER

Protects vehicle's hitch opening from the elements and includes a retention strap.

C. JEEP® BRAND LOGO [82213706]

D. MOPAR® LOGO [82208455AB]

E. TOWING STARTER KIT BY CURT®*

Fits a 2-inch hitch receiver and includes a 2-inch ball, 2-inch shank with 2-, 3- or 4-inch drop, 7,500-lb rating, hitch lock and hitch plug.
[68628505AA – 2-inch drop]
[68628508AA – 3-inch drop, RockerBall™ Kit]
[68628506AA – 4-inch drop]

F. TRAILER TOW WIRING HARNESS[4]

Permits operation of the trailer LED and incandescent taillamps, providing all the functions of the standard seven-pin trailer connector (stop, left and right turn, Reverse, Park, 12-volt battery and brake). Kit includes under-dash brake output circuit, all necessary hardware and complete installation instructions. [82219133AA]

*To learn more, see Additional Offerings section.

DEFEND EVERY INCH

A. BRIGHT PEDAL KIT

Stainless steel pedal covers with black rubber pads provide a distinctive touch to your interior. No drilling required. [82219037AA]

B. ALL-WEATHER FLOOR MATS

Custom, bucket-style mats provide maximum coverage and deeper channels to protect your floor by trapping wetness, salt, mud, dirt and grime. Front mats feature the Jeep® Brand logo. Set of four. [82219038AA]

A. TAILGATE TABLE

Durable metal table fashioned after the iconic Jeep® grille includes mounting hardware for easy attachment to back side of trim panel. Not available for vehicles equipped with the Trail Rail System. [82215416AD]

B. MOLDED CARGO TRAY

Provides full-area protection against outside debris and is easy to clean. Available in black and features the Jeep Brand logo. [82219058AA]

C. MOLDED FRUNK CARGO TRAY

Specifically designed for the front trunk cargo space. Mat is waterproof, stain-resistant, durable and easy to clean. Features a non-slip, textured surface to help prevent your belongings from shifting while traveling and features the Jeep Brand logo. [82219043AB]

D. JEEP® PERFORMANCE PARTS TOOL KIT

Whether it's repairs at home, on the trail or in the shop, this 83-piece professional-grade tool kit has a wide variety of provisions for optimal job coverage for your Jeep Recon. The kit includes a heavy-duty 1200 denier Jeep® Performance Parts canvas attaché tool bag which is water-resistant, has self-repairing zippers, and has reinforced webbing for strength and durability. This tool kit has the tools you'll need for on-road and off-road adventures in your Jeep Brand vehicle. [82219119AA]

CUSTOM LEATHER INTERIORS

CHOOSE FROM A VARIETY OF READY-TO-ORDER DESIGNS OR DESIGN YOUR OWN CUSTOM INTERIOR TO MATCH YOUR STYLE. IT'S YOUR VEHICLE, MAKE IT YOUR OWN.

See your dealer for more information.

A. JEEP® PERFORMANCE PARTS MULTI-ACCESSORY RAIL

Keep travel essentials like your phone, action camera and other devices secured and organized with our Jeep® branded dash-mounted accessory rail. The design allows for optimized camera placement to capture trail excursions and off-road adventures. This easy-to-install rail is made of durable powder-coated aluminum, secured via eight TORX® screws and is a just-right 500 mm in length. Mounting accessories sold separately. [82219128AC] Works with Rail Phone Holder by Lumen®* (sold separately). [68733117AA]

B. AUDIO/PHONE CHARGING CABLE KIT

Fill the cabin with your favorite sounds by connecting your device to your vehicle's audio system. This branded, zippered case contains four different cables for compatible listening and charging: USB-A to Lightning, USB-C to Lightning, USB-A to USB-C, and USB-C to USB-C. [82219420AA]

*To learn more, see Additional Offerings section.
